TO-NIGHT'S RATIFICATION

Addressed By the Best Local Speakers.

A Big Crowd Will be on Hand.

The Democratic ratification meeting

at the Court House to-night will

be well attended and from present

indications an enthusiastic affair. While

nothing in the way of a gorgeous

pageant or torchlight procession will

be attempted, a genuine old-fashioned

mass meeting of Democrats will be

held, and the undersigned will be

addressed by a number of local orators.

Among those who are expected to

speak will be Messrs. Chas. H. Bush,

W. W. Clark, W. H. Howell, G. M.

Bell, T. J. Morrow, Joe McCarrall,

Hunter Wood, E. M. Clark, W. G.

Wheeler for others.

The speeches will be short and stir-

ring and of a character to make the

occasion one of interest and enthusi-

asm. Many Democrats from the

surrounding country are expected to

attend.

Christian county has one of her

best men on the ticket and the eyes of

the country will be on her in this

campaign. Let her do her whole duty.

Does it not seem strange that a person will suffer with disease when a remedy can be had right at their very door? Yet there are hundreds in Hopkinsville suffering with Catarrh, Hay Fever and other diseases of the eye passages when OVERMAN'S SPECIFIC OXYGEN will give them instant relief and if taken as directed it will effect a permanent cure.

This is the season when all others treat CATARRH and HAY FEVER.

Why Suffer?

North's Magazine for July contains a striking article about the "Poor in Chicago," by Joseph Kirkland, the author of those very realistic novels of "Wanderer," "The Man," and "The Man." Mr. Kirkland takes an optimistic view of the condition of poverty in that city, asserting that "how the poor have been helped in Chicago is much as it chooses," because society will give to any able-bodied man a comfortable living and a good chance for his children, if he will prefer the delights of drink and crime there is plenty of opportunity for both. He describes graphically the various foreign quarters in Chicago and the admirably organized special charities, such as Hull House, Liberty Bell, the White Mission, and the Salvation Army.

The best quality of butter sold for bottling is the long white salt. The most quality is the long black salt. This is a cheaper quality of butter than the other grade and which sells at about twenty or thirty cents per pound. It is much better than the other grades of butter and black salt. It is the best quality of butter sold for bottling. It is the best quality of butter sold for bottling.
